

# **College of Science**

---

**Advisors are here to help!**

---

## Prerequisites

- Which science courses have prerequisites?  
ALL of them!

## General Education

- Spread general education over all 4 years
- **Science LEAP!**

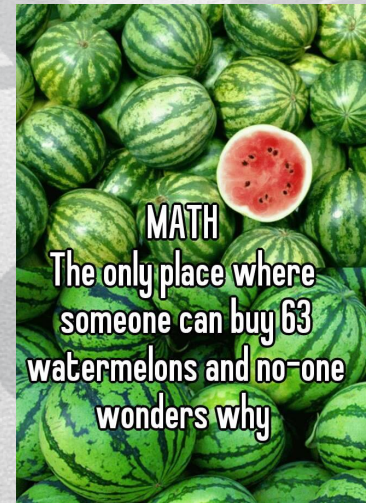

# Scheduling in the Sciences

---

- Math 980 → Math 1010 → Math 1050 → Math 1060 → Math 1210 (Calc I)
- Math 1080
- Math 1030, 1040, 1070, 1090  
DON'T TAKE THEM

# Math Course Sequencing

---

## Tutoring Centers in every department

- Get help with coursework
- Work as a tutor

Work as a **lab or teaching assistant**

# Student Opportunities

---

## Student Organizations

- Association for Women in Mathematics – AWM
- Society for Industrial and Applied Mathematics – SIAM
- American Chemical Society – ACS
- Society of Physics Students – SPS
- Women in Physics & Astronomy – WomPA
- Bioscience Undergraduate Research Club (BSURC)
- In-STEM
- And more....
